

Section 3 - External Auditor Report and Certificate 2022/23

In respect of

Priors Marston Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 14(1) of the Audit and Accounts Regulations 2015 provides that the period of public rights should be a 'single period of 30 working days'. This year the Council provided a period of 31 working days for the review of their records. Whilst we do not consider providing a longer period than stated to be more than a trivial breach of the regulations, this could lead to other issues. We would therefore anticipate that in future the dates are calculated to provide a period of precisely 30 working days. We would also anticipate the Council taking this into account when it completes Assertion 4 on its 2023/24 Annual Governance Statement.

The announcement date provided on the Notice of Public Rights showed that the period was announced (published) on the same day as it commenced. This is contrary to the Accounts and Audit Regulations 2015, Part 15(3) which states this should be published no later than one day before the date of that commencement. In future the Council needs to provide a minimum of 1 day as notice prior to the commencement of the period of public rights.

The Annual Internal Audit Report has been completed and signed off by a member of the council, which is a failure of Regulation 5 of the Accounts and Audit Regulation 2015 as they do not satisfy the requirement to be independent of the council. Assistance on this requirement is set out in Section 4 of the Practitioners Guide 2022. The council should therefore have answered no to Assertion 6 on Section 1 Annual Governance Statement.

Other matters not affecting our opinion which we draw to the attention of the authority:

Section 2 of the AGAR was initially submitted without the Trust Fund disclosures in Box 11a and Box 11b completed. This was later resubmitted with a 'No' answer to Box 11a and 'N/A' answer to Box 11b which was in line with our expectations and so there are no further concerns in this area.

The Internal Auditor did not initially complete control Objective O on the Annual Internal Audit Report. When this was updated and resubmitted the 'Not applicable' answer given was consistent with other items on the AGAR and so no concern remains in this area.

Incomplete information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The parish council should in future ensure that all the necessary supporting information is provided with their annual submission.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
